

Dear Members,

You are invited to join your fellow RTA members in demonstrating for safer schools through gun law reform at the March For Our Lives Rochester on March 24, 3-5pm in Washington Square Park.

Members are encouraged to wear an outward symbol showing that they are an educator.

You can wear your badge, wear union clothing, school clothing, etc.

Consider making a sign in alignment with the #ArmMeWith Campaign. Some examples are below.

Forgot your sign? Don't worry! The Social Justice Union team will be there with extras!
