

Support Your Students!

Watch the Board of Education meetings each month to ensure your students' needs are being prioritized by the BOE.

Choose 1 of 2 ways to watch:

→ Go to the **RCSD YouTube Channel** to live stream each meeting.

→ Go to the **RCSD FaceBook Page** to live stream each meeting.

By watching and sharing your comments, you help educate the Board and the community about the reality at our schools and show that teachers want what students need!

For an up-to-date list of all BOE meetings check out the RTA Action Committee Calendar!
